Curriculum - Doctor of Audiology

The American Speech-Language-Hearing Association (ASHA) is the national professional, scientific, and credentialing association for 211,000 members and affiliates who are audiologists; speech-language pathologists; speech, language, and hearing scientists; audiology and speech-language pathology support personnel; and students.

Focused Topics in Audiology - ASHA

There are two options for the Capstone Project: 1) the Capstone Research Program (CRP), and the Capstone Case Series (CCS). For students wishing to pursue the CRP, this would entail minimally a 20-page literature review, research report, or service-project paper, an AuD Faculty Advisor must agree to supervise the student and approve a proposal and contract for an authorized CRP.

Capstone - Illinois State University

Students must successfully complete a Doctoral Capstone Project. The project is a research project that culminates in a poster presentation and capstone paper. Details include: Students are assigned a Capstone Project adviser and at least one other faculty mentor. One of the faculty members must come from the on-campus Ph.D. faculty.
