The Birth Book Everything You

In The Birth Book: Everything You Need to Know to Have a Safe and Satisfying Birth, William and Martha Sears, authors of The Baby Book and creators of the concept of "attachment parenting," here turn their attention to the birth experience. In this helpful resource guide, the Seases cover the gamut of possibilities, and teach readers what they need to know to take control of their own birthings.

The Birth Book: Everything You Need to Know to Have a Safe ...

I thought this book was well written and quite comprehensive, covering everything from the history of birth to birth plans and even includes birth stories from different types of births. I especially liked that this book was non-judgmental when discussing medication during labor.

The Baby Book, Revised Edition: Everything You Need to ...

Childbirth books usually come in one of two forms-those that advocate an "institutional birth" and those that advocate a 100% natural birth. This book fits nicely between the two. It gives good, practical information on the pros and cons and nearly every procedure you can think of while neither judging nor condemning the use of such procedures.
