"The Embassy of Cambodia" | The New Yorker

When the Embassy of Cambodia first appeared in our midst, a few years ago, some of us said, "Well, if we were poets perhaps we could have written some sort of an ode about this surprising appearance of the embassy." (For embassies are usually to be found in the center of the city. This was the first one we had seen in the suburbs.)

The Embassy of Cambodia. Summary: The daily movements of a young African woman, working as a servant in a middle class London home, located on the same street as the Cambodian Embassy, are observed. The opening line of the story, "Who would expect the Embassy of Cambodia?"

I Read a Short Story...: The Embassy of Cambodia

And so last week, at a reading in my city library of Zadie Smith's "The Embassy of Cambodia," what I observed was how this drama plays out sometimes in short fiction: experiment expanding out from established form, like the dislocated figures in early Kandinsky improvisations, or Hilma af Klint's first abstractions of stretched floral O's. In Smith's story, the image in question is that of a badminton game, played behind the tall wall of the Cambodian Embassy in the London suburb ...

New Yorker Story Critiques: "The Embassy of Cambodia"

We Wellingtonians are used to stumbling across foreign embassies in the most unlikely of suburban locations, but Zadie Smith was so taken aback to discover the embassy of Cambodia in her Northwest London stomping ground of Willesden she was inspired to write this short story first published in the New Yorker.

Short story review: The Embassy of Cambodia, by Zadie Smith

However, it is a great, if expensive, advertisement for short fiction, from its arresting first sentence ('Who would expect the Embassy of Cambodia?') onwards. It has experimental tinges, with several of its very short chapters being narrated by "we, the people of Willesden", the multicultural northwest London neighbourhood where Smith grew up and still lives.
