Legal Consequences of Unethical Behavior. "In civilized life, law floats in a sea of ethics.". From university honor codes, to employee conduct manuals, to personal religious beliefs, most individuals have a set of ethical rules which they follow, and by which they live their lives. Although enforcement of ethical rules by private institutions is customary and usually expected, ethics regulation has gradually crept into the public court system and created a controversy whether a court is ...

Legal Consequences of Unethical Behavior - Mesch Clark ...

Such issues are usually punishable by law and harbour consequences that are imposed upon by the governing law of a country. An organization engaging in illegal business would arise in legal issues, which would amount to the company being penalized by law for its unlawful conduct. What is the difference between Ethical and Legal Issues?

Legal & Ethical Issues in Technology | Legal Beagle

Most societies also have legal rules that govern behavior, but ethical norms tend to be broader and more informal than laws. Although most societies use laws to enforce widely accepted moral standards and ethical and legal rules use similar concepts, ethics and law are not the same. An action may be legal but unethical or illegal but ethical.
