The Girl Who Helped  
Thunder by James +  
Joseph Bruchac is a  
compilation of various  
Native American  
folktales from  
countless different  
tribes, and with a  
number of different  
morals and themes. I  
found this compilation  
to be quite interesting!  
Of all the mythology  
that I have read, I find  
that Native American is  
my favorite.
