The Global Right Wing And

'The Global Right Wing and the Clash of World Politics is a very important book. By detailing the influence of right-wing activist networks in the battle for policy influence, it takes the gloss off the idealistic view of activism as always for the 'right' (meaning left wing) ideas that are seen to prevail through persuasion and deliberation.

Right-wing populism, also called national populism and right-wing nationalism, is a political ideology which combines right-wing politics and populist rhetoric and themes. The rhetoric often consists of anti-elitist sentiments, opposition to the perceived Establishment, and speaking to the "common people". Both right-wing populism and left-wing populism object to the perceived control of ...

Global News - Media Bias/Fact Check

Michigan Gov. Gretchen Whitmer was the focus of kidnapping plot by right-wing extremists. In early October 2020, less than a month before the United States federal election, the FBI thwarted an alleged terrorism plot by right-wing extremists to kidnap the Michigan governor, storm the state capital building and commit acts of violence against law enforcement.

Right-wing #extremism: The new wave of global #terrorism ...

This right-wing authoritarian surge is not rooted in the personalities or psychology of Trump and Erdoğan or other similar political leaders. Nor is it simply a device by various right-wing populist politicians to exploit voters' simmering dissatisfaction with the existing economic and political order and use it for their own political benefit.
