An excellent book for those interested in J.R.R. Tolkien's created languages. With The Languages of Tolkien's Middle-Earth Ruth Noel gives you the foundation for Tolkien's famous elven language, which I always like to proudly point out is based in Finnish. Hey, us Finns don't always have a lot to shout about! The book also includes about a dozen other languages, such as various human tongues ...

The Languages of Tolkien's Middle-Earth by Ruth S. Noel

Ruth Noel's The Languages of Tolkien's Middle Earth is outdated. Most of the text from which we derive Quenya grammar has been published since1980. We can now use Quenya much more fluently than was the case then, and while this renders RN's book largely irrelevant, it is hardly her fault.
