Daniel & Ian are 2 stories in the MacGregors Series. I actually liked the first story "For Now, Forever" better than the second "In From the Cold". They both concern strong women who are deeply in love with their men but for various reasons are not ready for marriage.

Also included in this book is the story of Ian MacGregor dating back to, what I believe to be, the time of the Boston Tea Party. It appears to be the beginning of the storytelling of the MacGregors of the old. The next tale is to be about Ian's aunt, Serena. I can't wait! I recommend THE MACGREGORS DANIEL-IAN and all of the other MacGregor books.
