1964 New York World's Fair - Wikipedia

The 1939–40 New York World's Fair was a world's fair held at Flushing Meadows–Corona Park in Queens, New York, United States. It was the second-most expensive American world's fair of all time, exceeded only by St. Louis's Louisiana Purchase Exposition of 1904. Many countries around the world participated in it, and over 44 million people attended its exhibits in two seasons.

New York World's Fair opens - HISTORY

As a sequel to the successful 1939 New York World's Fair, the second World's Fair opened on April 22, 1964, and its theme was "Peace Through Understanding". 650 acres (210 ha) of pavilions, public spaces and displays from exhibitors around the world. Countries, cities, corporations, and private groups set up shop to display their ideas. The theme was symbolized by a 12-story-high ...

The New York World's Fair of 1964 - Rare Historical Photos

Demolition of the pavilions took more than a year, but some remained as permanent sites, such as the New York Hall of Science. The New York City Pavilion, first constructed for the 1939 World's Fair, eventually became the Queens Museum. And the Theaterama was transformed into the Queens Theater. The city officially took the park

20 Awesome Things People Saw at the 1964 World's Fair ...

This documentary of the 1964 NY World's Fair is better than the one narrated by Judd Hirsch in that the quality of the filming of the fair was much better, and it showed more of it. It's a light-hearted look at the fair with little facts, concentrating on getting in quite a bit of the overviews of the attractions.
