The Sufis is one of the best known books on Sufism by the writer Idries Shah. First published in 1964 with an introduction by Robert Graves, it introduced Sufi ideas to the West in a format acceptable to non-specialists at a time when the study of Sufism had largely become the reserve of Orientalists.

The Sufis - Wikipedia

A Sufi is a member of the mystical, ascetic branch of Islam. Asceticism means abstaining from worldly pleasures, living frugally, and concentrating all of your energy on spiritual development. Sufism emphasizes personal experience with the divine rather than focusing on the teachings of human religious scholars.

AllMusic Review by Tim Sendra [+]
The Sufis ' fourth album, Double Exposure, follows in the same lo-fi, weird, and woolly bedroom psych footsteps as their previous album did. Only this time the duo have a much more focused and animated approach to the writing and recording process and punch their performances up just a touch.
