OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

The Tube Riders Underground

It was gritty and did not hold back on the violent lifestyle of this dystopian, deprived world Chris Ward has created. Set in London, Bristol and Cornwall, the reader follows a group of young adults called the Tube Riders, named for their love of a dangerous sport; riding the side of tube trains in London's Underground.

The Tube Riders - the first in a trilogy (fortunately a full "episode", not the first-third-of-a-longer-book-to-fool-you-into-buying-the-rest so common among indie authors) is a rollicking good read. Set in a London 60 years hence, the picture of dystopian London feels solid (I kept guessing what St Cannerwell's was based on) and the characters believable.

The Tube Riders: Underground: Amazon.co.uk: Ward, Chris ...

"The Tube Riders" is a book in which several scruffy, disenfranchised youths are the main characters. However, this does not mean that this book would comfortably sit in the young adult category. These kids have a dark background and the author lets the harshness of a cruel future Britain leak through the pages.
