Book Description. In The Unofficial LEGO® Builder's Guide, readers will discover everything from how to craft sturdy walls and a basic sphere to more advanced concepts such as scale and design. Illustrations demonstrate construction tips that can be applied to a wide variety of original creations made from real bricks.

The Unofficial LEGO Builder's Guide [Book]

More Lego fun the very next day after the wee dragon: "Enjoying reading "The Unofficial Lego Builder's Guide" book which is nicely geeky, so followed the instructions to make a house at the micro build scale - ideal for folk with few bricks. Which is a good plan apart from the fact that the few bricks *I* have don't really correspond with the few bricks *they* use.
