Thomas Friedman The World Is

Nikkei interviewed Thomas Friedman, The New York Times' foreign affairs columnist, and asked him to look back on how the attacks affected the world in terms of history and thought. The following are ...

Thomas Friedman argues for more cooperation and less confrontation

The Biden administration has been described as potentially transformative, equaling Lyndon B. Johnson's years and possibly even rivaling Franklin D. Roosevelt's tenure.

Stopping the new Cold War with China, before it's too late

He mentions Trumpism only twice, and he broadens his argument to tribal-seeming developments in the politics of many other nations. But it strikes me that the enormous power of Trumpism (and, perhaps, ...

On Trumpism and 'tribalism'

With space-based end-to-end IoT solutions available in India through Skylo, customers can deploy real-time fleet and cargo monitoring solutions, providing 100%, always-on visibility of fuel levels, ...

Boosting logistics: The IoT way

When the US was attacked on Sept. 11, 2001, I was the same age as the current cadets at West Point are now. After graduating from college, I assumed I would leave the dangers of Afghanistan to our ...

I served in Afghanistan as an Army chaplain. Jewish wisdom can help us process what comes after withdrawal.

The U.S. withdrawal from Afghanistan after a failed 20-year nation-building exercise has left many Americans and analysts saying, "If only we knew back then what we know now, we would have never gone ...

Friedman: What comes after the war on terrorism? War on China?

One day, 1,000 years from now, when they dig up this era, archaeologists will surely ask how was it that a great power called America set out to make the Middle East more like itself — embracing ...

Friedman: Have we reshaped Middle East politics or started to mimic it?

The global "democratic recession" didn't just happen. It might be the final stage of the liberal order's collapse ...

Beyond the crisis of democracy: Does anyone still believe in liberalism?

This is the transparent reason why the deeply troubled and divided U.S. has painted China as a boogeyman over the past few years. This may be good domestic politics, but detrimental diplomatically. On ...

China to the U.S.: There's no time for petty politics

Joe Biden wants to galvanize key allies in a healthy economic competition with China but his feckless withdrawal from Afghanistan has jolted the international trust and respect he requires for that.

Derek H. Burney: How the West can avoid being steamrolled by China

What aspects of our competition/conflict with China are inevitable between a rising power and a status quo power, and what can be dampened by smart policy? Let's start with the inevitable. For roughly ...

What Comes After the War on Terrorism? War on China?

Between June 2020 and February 2021, the iPhones of nine Bahraini activists – including two dissidents exiled in London and three members of the Bahrain Centre for Human Rights – were hacked using the ...
