### Tire And Rim Association Manual

The Tire and Rim Association, Inc. (TRA) is the standardizing body for the tire, rim, valve and allied parts industry for the United States. TRA was founded in 1903 and its primary purpose is to establish and promulgate interchangeability standards for tires, rims, valves and allied parts.

### The Tire and Rim Association, Inc.

zTires should only be mounted on approved rim widths. (See "Tire Rim/Wheel Selection" on p. 5 and the Supplement) If changing tire sizes, check to make sure the rim/wheel has adequate load and inflation pressure capacity. For rims/wheels not so identified or for service conditions exceeding the rated capacities, consult the rim/wheel
