American Society of Tropical Medicine and Hygiene - Wikipedia
Diploma in Tropical Medicine and Hygiene (DTM&H) is a postgraduate award, given after a prescribed period of instruction followed by an examination consisting of three parts; (a) a written examination (b) a practical laboratory examination and (c) an oral examination.In some schools, a fourth part consisting of a clinical bedside examination may be required.

DTM&H - Wikipedia
1 Introduction. Indian visceral leishmaniasis (VL), commonly known as kala-azar (KA), is a disease caused by a protozoan parasite, Leishmania donovani and transmitted by the bite of female Phlebotomus argentipes sandflies. About 90% of the 500 000 new VL cases estimated annually worldwide occur in just five countries: India, Sudan, Bangladesh, Nepal and Brazil. 1 India alone contributes about ...
