The Practice Solution

About VPS Veterinary Practice Solutions (VPS) was founded by veterinarian and former 17 year private practice owner turned management consultant Dr. Joel Parker and Inc. 500 winning 35 year veteran management consultant Jeff Lee. Dr. Joel Parker Initial years of practice ownership relied heavily on Joel's involvement in the day-to-day details of running his practice [...]

About VPS - Veterinary Practice Solutions

7 reviews of Veterinary Practice Solutions "I have been with Veterinary Practice Solutions since 2012. I can't say enough praises for how much they have helped me. My practice was struggling and I was struggling. I was taught how to identify "trouble makers" - negative people and release them. I started monitoring how my practice was doing and to take appropriate steps to either correct a dip ...

Challenge: Farm animal data is complex, involving many companies and initiatives. The data exists in many places including data from the farm itself, data from the Practice Management Software, data from 3 rd party services used by the farm, data from third party services used by the practice, government and industry sources. These data silos make it difficult for vets and farmers to have a ...
