### Wireless Charles Stross

Wireless is a quality short-story collection by Stross. Quick reviews: Missile Gap: This is the story of a late 1950s earth whose crust has been peeled off our globe and stuck on an even larger flat plate, what that means to the people who live there, and how that influences the tensions of the Cold War. It was fascinating, weird, and fun

### Wireless by Charles Stross - Goodreads

"Stross's work offers a potent reminder of why short stories used to be the preferred delivery method for science fiction." – The A.V. Club "With such breathtakingly imaginative novels as Accelerando and the Nebula-nominated Saturn's Children, [Charles] Stross has proven his mettle as a leading speculative-fiction innovator. Yet his new short-story collection showcases not only his ...

### Wireless book by Charles Stross - ThriftBooks

I have come to think of Charles Stross as sci-fi cocaine; for sheer effervescence of imagination, there may be no writer in the field these days who can apply such a jolt. Lines chopped and cut on a mirror, the stories collected in his 2009 Wireless —virtually a best of covering works from first decade of the 21 st century — send the brain reeling into genre candyland.

### **Speculiction...: Review of Wireless by Charles Stross**

### **Amazon.com: Wireless eBook: Stross, Charles: Kindle Store**

Wireless by Charles Stross Hard Science Fiction used to be all about wonder and amazement, about pushing the limits of knowledge and expectation. But that's been obsolete for some time; the rump Hard SF that we have these days has been formed by two generations of fannish nitpickers, the failure of the US space program, and an abiding sourness about mankind that has no single source I can detect.

There are a number of works of fiction online on my website: notably the full text of my first short story collection, TOAST , the novel Accelerando , a trunk novel, Scratch Monkey , and my collaboration with Cory Doctorow, The Rapture of the Nerds .

### **Online Fiction by Charles Stross - Charlie's Diary**

Stross admits in an author's note that "Palimpsest" was originally intended as a full-length novel, which is Wireless' biggest strength and greatest weakness. While the shorter pieces are entertaining, the more room Stross has to play, the more fascinating and compelling the result; the downside is that without the space of a full-length novel, the complexities he works to convey are ...
