To the woman out there who overthinks, loves too much, and finds herself falling in love too easily, we know the struggle. Love should feel like a safety net, a place you can run to when the world seems to crumble beneath your feet. For the women who think too much, though, even love doesn't always provide that sense of comfort.

Women who love too much have little regard for their personal integrity in a love relationship. They pour their energies into changing the other person's behavior or feelings toward them through desperate manipulations, such as Jill's expensive long-distance phone calls and flights to San Diego (remember, her budget was extremely limited).
