Duncan and Hunt, “is to strengthen Christ’s Church by presenting a practical theology of women’s ministry in the local church” (p. 16). The authors’ theological apologetic stands on their complementarian view of the relationship between men and women in the church and home. “The complementarian position acknowledges that [...]

## **Women’s Ministry in the Local Church - DTS Voice**

For that purpose, Women’s Ministry in the Local Church had several helpful observations such as: Women’s ministry should not be consumer-oriented, but should seek to equip women as disciples for their own spiritual growth, and for their ministries in their families, church, communities, and the world.

### **10 Reasons Women are Leaving the Local Church for Online ...**

Highly recommend! If you want to know why churches are struggling with women's roles, this is perhaps the very best place to start. In most churches, one of two errors occur: either women's ministry is completely ignored, in which case the younger women usurp power over older women and make demands to fulfill male roles in the church -- or the church uses women interchangeably with men and ...

### **Amazon.com: Customer reviews: Women's Ministry in the ...**

This is an excellent practical book on why women's ministry is so vital to the church. With all the recent controversies the church has been embroiled in, it will do all of us a world of good to seriously consider women's ministry in the local church.

In this first article, I want to address the biblical basis for a women's ministry in every church. And then, in the second article we'll think about women's ministry historically and why it is still needed today in our egalitarian society. So let's begin with the biblical basis for a women's ministry in the local church.
